RE Adding to the Lawsue. From C.A.H.S

This to ask the court If I can add these people to the law sue and make it more than \$1,000,000 to 2,000,000 because they are now play with me mentally and emotionally, I am neglected the proper medical attention and insulted, I am often made to feel like I'm wrong for asking for help when I'm hurting.

It has drained me mentally & emotionally I am in a great deal of pain, I was call lies to my face, Dr Binnion said that I may be putting my finger down my mouth to make me sick one always saying I order you meds but never get them, so can someone please help I don't feel safe here. I am neglected more than ever, I should not be in the care of these people, please move me.

Add on name Jeremy Wilkerson Head Medical unit
 Dr Binnion, Dr Smith, a nurses name Ezekiel
 Betty Bradley, and nurses Stethanica
